

TRADITIONAL HIGHLAND HOUSEPARTY (AVAILABLE OCT - APR)

Day 1 - Failté – Welcome to the Highlands! Your hosts and hostesses greet you as you draw up to the magnificent lochside setting of the Hotel. After you have settled in to your rooms, you are invited to join your hosts for a Bucks Fizz reception before being piped into the Restaurant for a mouth-watering evening meal.

Day 2 - This morning you experience your first full cooked Scottish breakfast to set you up for an adventurous full day of exploration which might include Skye and Eilean Donan Castle, Mull and Iona or perhaps a visit to one of Argyll's Glorious Gardens.

Back at the hotel after another sumptuous evening meal, we have arranged for a renowned local entertainer to join us at the hotel for an evening of traditional Scottish music.

Day 3 - The second touring day takes you into "Kidnapped Country", the setting of Robert Louis Stevenson's famous novel where the itinerary can include the site of the Appin Murder, Inveraray Jail or Dunstaffnage Castle, The Oban Sea Life Centre and Glencoe.

Back at the hotel, after dinner it is Games Night with fun, quizzes and laughter all the way!

Day 4 - A day of local relaxation. Pull up a chair by the fire or gaze out over the Water. From the Hotel door we will guide you to easy leg-stretches or if you are staying in Oban you have a free afternoon to explore the shops! Optional great value lunches are available all hotels for a supplement.

At the hotel, tonight is Highland Night! A centrepiece Scottish Banquet will be served and to bring your stay with us to a memorable close there will be another toe-tapping evening of Scottish entertainment.

Itinerary is subject to change; if we have to amend the itinerary we will let you know as soon as possible.
